

APPRENTICESHIP OPPORTUNITIES BULLETIN

August 2024 *education leaver special*

Plymouth is a city of opportunity. We have the largest naval base in western Europe, the UK's first National Marine Park, the largest manufacturing sector in southern England, a growing health sector and internationally significant expertise in marine autonomy and immersive digital. With the economy now moving towards net zero and capitalising on the green industrial revolution, there are so many exciting career opportunities to explore – and apprenticeships offer a fantastic way to start and progress in paid employment.

This monthly Apprenticeship Bulletin has been produced by the Skills Launchpad Plymouth team to support both young people and adults to explore the current live vacancies in and around the city.

So why apprenticeships? Apprenticeships are jobs with training. They offer a fantastic chance for anyone aged 16+ to gain on the job experience in a particular sector. Through an apprenticeship you can earn as you learn, gaining nationally recognised qualifications from Level 2 up to degree level.

In this edition, there are more than 180 live vacancies that are directly linked to an employer, including:

- five in Accounting and Finance
- 15 in Administration, Business and Customer Service
- one in Agriculture
- seven in Autocare and Mechanical
- 18 in Construction and the Built Environment
- 19 in Education and Childcare
- multiple in Engineering, Manufacturing and Marine
- 7 in Hair and Beauty
- one in Health and Social Care
- one in Hospitality and Retail
- two in IT and Marketing
- multiple in Public Services.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
