## EARLY CAREERS FAIR 2024 FINAL CALL!

Building Plymouth and the Plymouth Manufacturers' Group (PMG) have joined forces once again to organise an inspiring showcase event on Saturday 9 March 10am to 2pm at Plymouth Argyle Home Park.

The event will be a fantastic climax to National Careers Week and is aimed at engaging young people, their parents and carers, higher education leavers, as well as adults who are considering a career change. The fair will promote the breadth of careers and the exciting new entrant opportunities available in and around Plymouth for 2024 and 2025 starts.

There is the opportunity to meet recruiting employers for job roles and graduate pathways as well as the chance to speak with training providers about their apprenticeship opportunities and wider training offers.

Confirmed employers for this year are: ME Contracting, Plymouth Community Homes, Gilpin Demolition, Willmott Dixon, Kier, WW, Turner and Townsend, Lorne Stewart, T Clarke, South West Highways, and AECOM. They will be showcasing the incredible range of careers, apprenticeships and graduate opportunities available across the city with a special surprise on show from Gilpin Demolition!

There will also be some of the city's fantastic training providers including City College Plymouth, Greenlight Safety and Training, Skills Group, CTSW Skills Ltd, South Devon College and The Focus Training Group.

The event is totally free – if you would like any more information, please email [hello@buildingplymouth.co.uk](mailto:hello@buildingplymouth.co.uk) and keep an eye on their socials for all the build up to the day - [@buildingplymouth](https://www.instagram.com/buildingplymouth).

## Construction and Built Environment Drop-in - Sector Tuesdays

**Want to help build your city? Health and Safety conscious? If you are interested in training or working in construction we want to hear from you!**

\* Eligibility criteria exists.

YOUR **LEARNING DESTINATION OF CHOICE**

**FREE\* GREEN SKILLS & RETROFIT BOOTCAMP**

Our free Skills Bootcamp in green construction skills is ideal for those wanting to gain highly sought-after retrofit skills.

You will finish the course with greater knowledge of the retrofit agenda and a Level 2 Award in Understanding Domestic Retrofit.

**What does the course include?**

- Training on:
  - understanding and use of thermography equipment to survey and understand building construction
  - external wall insulation
  - loft insulation
  - heat pumps.
- Assessing for retrofit.
- Surveying and building pathology in retrofit.
- Upskilling on low-carbon technologies
  - PVs, solar hot water heating, battery storage.
- You will also experience drone surveying and thermal imaging, and if successful, gain a CAA drone flyers ID.

**Course delivery**

The course will be delivered through face-to-face and online sessions and will start in June and September.

**Interview with a local employer**

City College's employer partner, LiveWest, has endorsed this Skills Bootcamp and will provide a job interview for all those who are unemployed and successfully complete the course.
