

APPRENTICESHIP OPPORTUNITIES BULLETIN July 2024

Championing apprenticeships in Plymouth

Plymouth is a city of opportunity. We have the largest naval base in western Europe, the UK's first National Marine Park, the largest manufacturing sector in southern England, a growing health sector and internationally significant expertise in marine autonomy and immersive digital. With the economy now moving towards net zero and capitalising on the green industrial revolution, there are so many exciting career opportunities to explore – and apprenticeships offer a fantastic way to start and progress in paid employment!

Apprenticeships are jobs with training. They offer a fantastic chance for anyone aged 16+ to earn as you learn, gaining on the job experience in a particular sector, whilst being supported by a training provider to gain a nationally recognised qualification from Level 2, up to degree level.

In this edition, there are more than 200 live vacancies that are directly linked to an employer, including:

- six in Accounting and Finance
- 15 in Administration, Business and Customer Service
- one in Agriculture
- ten in Autocare and Mechanical
- multiple in Construction and the Built Environment
- 43 in Education and Childcare
- 14 in Engineering, Manufacturing and Marine
- seven in Hair and Beauty
- one in Health and Social Care
- two in IT and Digital
- multiple in Public Services
- one in Warehousing.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
