

Connecting local people with career opportunities in construction and the built environment

# Join Construction and the Built Environment

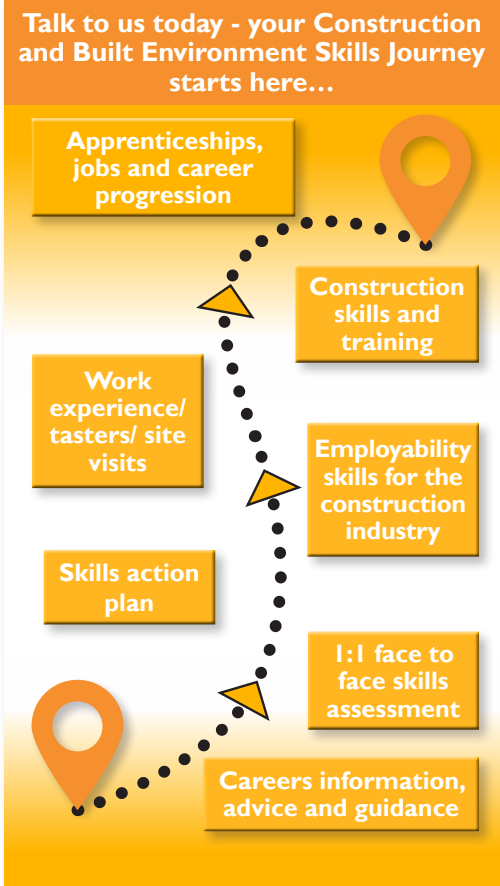

With Plymouth facing its biggest capital build programme for 25 years, there are plenty of skills, training and employment opportunities.

## DID YOU KNOW...

- The sector offers over 180 different roles
- There are hundreds of apprenticeship vacancies so you can earn while you learn
- You can get a taste for the sector through work experience and site visits
- We're building a new green army to deliver the city's net zero goals
- Construction is the second highest paid sector in Plymouth?!

Whether you already have experience in the sector or want to find out how to get started, speak to our coordinators:

Monday	Devonport JCP	9.30am to 11.30am
Tuesday	Skills Launchpad Plymouth, Barclays Bank, city centre	10am to 4pm
Thursday	Old Tree Court JCP, Exeter Street	10am to 12noon
